**Trilantic open their doors for business and launch eDoc Review**  
**Nigel Murray held the first launch party for his new venture Trilantic at The Renaissance Chancery Court hotel on the 21<sup>st</sup> September. With over a hundred law firm clients in attendance Nigel said 'I am delighted with the success of the party'. On the back of the launch he introduced eDoc Review – essentially a cost saving software that extracts only relevant data from law firm caseloads. This helps to avoid hefty printing costs when collating and managing volume data.**
