

Proportionate pricing

Ideal for the early stages in any matter

Reviewing emails can be a costly and time consuming activity; printing, identifying the start and end of each email, looking for emails which make up a chain; with TRILANTIC this can be considerably speeded up for a fixed price per month.

Ideal for the start of a matter when keeping costs under control is key, this service gives the litigator all the tools they need to quickly identify key emails, folder emails according to the issue, and search the entire population.

Pricing is based on 1Gb of data and includes:

- De-duplication and key word searching
- Loading the resulting data onto the leading iCONNECT tool
- Monthly hosting charges for up to 5 users

The price is £465 per Gb per month (1 Gb is equivalent to 30 boxes of printed emails).
