

TRILANTIC

For immediate release

26 January 2006

New York, New York

Five months on and the pace doesn't appear to be slowing for legal support services company **TRILANTIC** as they prepare for their session on "**e-Discovery Standards - A Worldwide problem?**" and networking lunch at the **LegalTech** show in New York on January 30th 2006.

TRILANTIC provides lawyers, in-house counsel, accountants and auditors with a complete 24/7 litigation support service throughout the entire life of a case. Their capabilities include all aspects of electronic disclosure and technical support whilst offering a 24/7 service anywhere within Europe.

The Legaltech show in New York comes on the heels of an exciting week for TRILANTIC. Managing Director Nigel Murray was awarded the position of Highly Commended in the category of "Supplier Personality of the Year" in the UK's Legal Technology Awards 2006. In light of this Mr Murray said "We are so please to have entered 2006 in such a positive manner. It was very much an honour to have been recognised in the LT Awards and hope that we can demonstrate our re-investment of this faith in the forthcoming year."

Associate Sales Director Joy Seletsky said "We are proud of Nigel's achievement and are excited to be hosting an event at LegalTech that will enable litigation support professionals from around the world to exchange ideas on this important topic."

Nigel Murray is available for interview. If you would like to arrange an interview or require any further information, please call 020 7042 1000.

NOTES TO EDITORS

About Trilantic

Trilantic is a revolutionary UK and European-based legal support services company offering traditional and eDocument management solutions for all stages of any matter. Services encompass all aspects of electronic disclosure and include data acquisition, scanning & coding, database hosting, document disclosure, printing, courtroom presentation, and technical support. Trilantic is the only company based in the City to provide eDocument processing on a 24 hour a day, seven days a week basis either at their city offices or at client premises around the world.

Trilantic brings together some of the leading specialists from the eDisclosure field. Managing Director, Nigel Murray, is a founder of the litigation support industry in Europe. His colleagues have worked on many of the UK's major eDisclosure cases, continuing a pattern of successful innovation over the past twelve years. Highly respected within their industry, they provide the vital skills required in handling the vast volumes of electronic material encountered in today's disputes.

Trilantic launched its services in late September 2005 and are shaping up to become Europe's leading litigation support services company.
